

Subpar movie slate drags down performance

Media & Entertainment ▶ Result Update ▶ July 22, 2024

TARGET PRICE (Rs): 1,650

PVR Inox's results reflect the subpar box-office collections during the quarter due to a weak slate of movie-lineup, given the general elections happening over an extended period, and the IPL and T20 World Cup held during Q1. Footfalls fell further to 30.4mn, down 6.7% QoQ, whereas ATP inched up marginally to Rs235 from Rs233 in Q4 albeit still impacted by the lack of big-budget releases and higher promotional offers. Occupancy was weak at 20.6%. Select small-to-mid-budget movies did see some traction, though not enough to move the needle. The management is taking steps to drive higher revenue and to optimize costs, but these are likely to fructify only in the medium term. The near-term movie pipeline has improved which should result in some pick-up in collections going ahead. We cut FY25E/26E EBITDA by 9%/2%, to factor in the Q1 performance; also, we introduce FY27 estimates. We maintain BUY on the stock, with unchanged TP of Rs1,650/sh (roll-over to Jun-26E pre-IndAS EBITDA).

Results Summary

Revenue declined 5.2% QoQ to Rs11.9bn, broadly in line with our estimates. ATP improved marginally to Rs235 from Rs233 in Q4FY24, but is still trending at lower levels due to lack of big-budget films and given promotional offers. Also, SPH improved to Rs134 from Rs129 in Q4FY24. Occupancy declined to 20.3% from 22.6% in Q4, while Admits fell 6.7% QoQ to 30.4mn. Advertisement revenue also declined 10.6% QoQ to Rs0.9bn, owing to inconsistent performance of movies. Reported EBITDA declined 9.7% QoQ to Rs2.5bn – higher than our estimate. Adjusted for IndAS, EBITDA loss was Rs327mn. The company reported net loss of Rs1.8bn. The multiplex chain opened 50 screens in the quarter, while shutting down another 14. It is on track to open 120 screens in FY25 and shut 50-60. Gross debt decreased, from Rs17.2bn to Rs16.9bn, whereas net debt inched up, from Rs12.9bn to Rs13.2bn.

Earnings Call KTAs

1) Quarterly Results: The quarterly performance was hit by the 2024 General Elections, with 13% drop in the number of releases (YoY) and only 3 movies crossing the Rs1-billion mark. In this quarter, 1.25mn admits were from re-release of movies. 2) ATP: The company has always followed the flexi pricing model. It did increase ticket prices by 4% YoY, to pass on the higher inflation to customers, but given lack of blockbuster movies, reported ATP was lower. Beginning-Q2 has seen strong growth in ATP. 3) Pipeline: The management does not see any more external events hampering the pipeline. The CY25/FY26 content pipeline should be back to pre-Covid levels, with Q3FY25 expected to be the strongest quarter in the year. 4) Passport Program: The company has already sold 0.25mn passes, and expects a pickup as the content pipeline improves. 5) OTT Window period: The general viewpoint across stakeholders is that the OTT window period should be common across languages. 6) JV with Devyani International: This JV has already been set up, with 2 food courts expected to be operational in coming 2-3 months, and 4-5 courts expected to be operational by FY25-end. 7) Media reports on additional cess in Karnataka: There is no confirmation that this is a definitive order. If the cess were to be imposed, it would be detrimental for the industry. 8) Expenses: Like-to-like rentals have increased 3.7% YoY, in line with lease agreements, with total fixed costs rising 7% YoY; of this, 4-4.5% cost is on account of new cinemas opened last year.

The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient.

EGFSL and/or its affiliates may seek investment banking or other business from the company or companies that are the subject of this material. EGFSL may have issued or may issue other reports (on technical or fundamental analysis basis) of the same subject company that are inconsistent with and reach different conclusion from the information, recommendations or information presented in this report or are contrary to those contained in this report. Users of this report may visit www.emkayglobal.com to view all Research Reports of EGFSL. The views and opinions expressed in this document may or may not match or may be contrary with the views, estimates, rating, and target price of the research published by any other analyst or by associate entities of EGFSL; our proprietary trading, investment businesses or other associate entities may make investment decisions that are inconsistent with the recommendations expressed herein. In reviewing these materials, you should be aware that any or all of the foregoing, among other things, may give rise to real or potential conflicts of interest including but not limited to those stated herein. Additionally, other important information regarding our relationships with the company or companies that are the subject of this material is provided herein. All material presented in this report, unless specifically indicated otherwise, is under copyright to Emkay. None of the material, nor its content, nor any copy of it, may be altered in any way, transmitted to, copied or distributed to any other party, without the prior express written permission of EGFSL. All trademarks, service marks and logos used in this report are trademarks or registered trademarks of EGFSL or its affiliates. The information contained herein is not intended for publication or distribution or circulation in any manner whatsoever and any unauthorized reading, dissemination, distribution or copying of this communication is prohibited unless otherwise expressly authorized. Please ensure that you have read "Risk Disclosure Document for Capital Market and Derivatives Segments" as prescribed by Securities and Exchange Board of India before investing in Indian Securities Market. In so far as this report includes current or historic information, it is believed to be reliable, although its accuracy and completeness cannot be guaranteed.

This report has not been reviewed or authorized by any regulatory authority. There is no planned schedule or frequency for updating research report relating to any issuer/subject company.

Please contact the primary analyst for valuation methodologies and assumptions associated with the covered companies or price targets.

Disclaimer for U.S. persons only: Research report is a product of Emkay Global Financial Services Ltd., under Marco Polo Securities 15a6 chaperone service, which is the employer of the research analyst(s) who has prepared the research report. The research analyst(s) preparing the research report is/are resident outside the United States (U.S.) and are not associated persons of any U.S. regulated broker-dealer and therefore the analyst(s) is/are not subject to supervision by a U.S. broker-dealer, and is/are not required to satisfy the regulatory licensing requirements of Financial Institutions Regulatory Authority (FINRA) or required to otherwise comply with U.S. rules or regulations regarding, among other things, communications with a subject company, public appearances and trading securities held by a research analyst account.

This report is intended for distribution to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the U.S. Securities and Exchange Act, 1934 (the Exchange Act) and interpretations thereof by U.S. Securities and Exchange Commission (SEC) in reliance on Rule 15a 6(a)(2). If the recipient of this report is not a Major Institutional Investor as specified above, then it should not act upon this report and return the same to the sender. Further, this report may not be copied, duplicated and/or transmitted onward to any U.S. person, which is not the Major Institutional Investor. In reliance on the exemption from registration provided by Rule 15a-6 of the Exchange Act and interpretations thereof by the SEC in order to conduct certain business with Major Institutional Investors. Emkay Global Financial Services Ltd. has entered into a chaperoning agreement with a U.S. registered broker-dealer, Marco Polo Securities Inc. ("Marco Polo"). Transactions in securities discussed in this research report should be effected through Marco Polo or another U.S. registered broker dealer.

RESTRICTIONS ON DISTRIBUTION

This report is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation. Except otherwise restricted by laws or regulations, this report is intended only for qualified, professional, institutional or sophisticated investors as defined in the laws and regulations of such jurisdictions. Specifically, this document does not constitute an offer to or solicitation to any U.S. person for the purchase or sale of any financial instrument or as an official confirmation of any transaction to any U.S. person. Unless otherwise stated, this message should not be construed as official confirmation of any transaction. No part of this document may be distributed in Canada or used by private customers in United Kingdom.

ANALYST CERTIFICATION BY EMKAY GLOBAL FINANCIAL SERVICES LIMITED (EGFSL)

The research analyst(s) primarily responsible for the content of this research report, in part or in whole, certifies that the views about the companies and their securities expressed in this report accurately reflect his/her personal views. The analyst(s) also certifies that no part of his/her compensation was, is, or will be, directly or indirectly, related to specific recommendations or views expressed in the report. The research analyst (s) primarily responsible of the content of this research report, in part or in whole, certifies that he or his associated persons¹ may have served as an officer, director or employee of the issuer or the new listing applicant (which includes in the case of a real estate investment trust, an officer of the management company of the real estate investment trust; and in the case of any other entity, an officer or its equivalent counterparty of the entity who is responsible for the management of the issuer or the new listing applicant). The research analyst(s) primarily responsible for the content of this research report or his associate may have Financial Interests² in relation to an issuer or a new listing applicant that the analyst reviews. EGFSL has procedures in place to eliminate, avoid and manage any potential conflicts of interests that may arise in connection with the production of research reports. The research analyst(s) responsible for this report operates as part of a separate and independent team to the investment banking function of the EGFSL and procedures are in place to ensure that confidential information held by either the research or investment banking function is handled appropriately. There is no direct link of EGFSL compensation to any specific investment banking function of the EGFSL.

¹ An associated person is defined as (i) who reports directly or indirectly to such a research analyst in connection with the preparation of the reports; or (ii) another person accustomed or obliged to act in accordance with the directions or instructions of the analyst.

² Financial Interest is defined as interest that are commonly known financial interest, such as investment in the securities in respect of an issuer or a new listing applicant, or financial accommodation arrangement between the issuer or the new listing applicant and the firm or analysis. This term does not include commercial lending conducted at the arm's length, or investments in any collective investment scheme other than an issuer or new listing applicant notwithstanding the fact that the scheme has investments in securities in respect of an issuer or a new listing applicant.
